LENS MARKING

Optical class symbols:

1. Continuous work

Mechanical strength symbols:

F. Low energy impact, resists a 6 mm, 0.86 g ball at 45 m/s
Maximum protection for glasses.

T. The letter T, immediately after the mechanical strength symbol, authorises use for high speed particles at extreme temperatures.

B. Impact à moyenne énergie, résiste à une bille de 6 mm et de 0,86 g à 120 m/s.

Others symbols:

K. Resistance to surface damage by fine particles (optional)

N. Resistance to fogging (optional)

C€ European standard ☞ Manufacturer name

TECHNOLOGY

PLATINUM

This permanent coating on both sides of the lens gives them a high resistance to scratching (1.4 cd / m²), to the most aggressive chemicals and delays the onset of fogging for 2 minutes. In all circumstances and at all times the PLATINUM lens innovation guarantees your eyes improved protection.

FRAME MARKING

EN 166: guaranteed minimum resistance of the protective eyewear against everyday risks including dropping the protective eyewear onto the ground, ageing by light exposure, exposure to heat or corrosion etc.

3. Liquid droplets or splashes.

4. Large dust particles > 5 microns.

F. Low energy impact, resists a 6 mm, 0.86 g ball at 45 m/s
Maximum protection for glasses.

T. The letter T, immediately after the mechanical strength symbol, authorises use for high speed particles at extreme temperatures.

B. Medium energy impact, resists a 6 mm, 0.86 g ball at 120 m/s.

C€ European standard ☞ Manufacturer name

Bolle Safety product approval certificates to CE standards will be sent on request.

CLEANING AND STORAGE

CLEANING: The lenses should be cleaned regularly. Bolle Safety recommends only using the B-clean lens cleaning system.

MAINTENANCE: Pitted, scratched or damaged lenses must be replaced by replacing the complete product. If the frame is damaged also replace the complete product. After each use it is recommended to keep the spectacles or goggles in a microfibre pouch or rigid case.

STORAGE: All products must be stored in a dry and clean environment.
